1. Attached herewith is a recommendation of the Project [REDACTED] Officer, concurred in by the KUBARK Director of [REDACTED] that all personnel of [REDACTED] including suppliers' employees, be made fully knowledgeable of KUBARK sponsorship of this Project. 2. I have approved this recommendation and you are hereby directed to arrange for the necessary briefings. I believe it will be highly desirable if the Project [REDACTED] Officer could take part in these briefings if this can be arranged and request that you communicate with him as to the date on which they will take place, which should be shortly prior to deployment overseas.
